

I am writing on behalf of K-Love radio. This is the only station that I listen to, it is the only station worth listening to, the only one that uplifts and encourages. The only station that everyone can listen to without embarrassment. If this station were replaced by another commercialized secular radio station it would cause a HUGE emptiness in the lives of many people who depend on hearing the uninterrupted word of God throughout their day. Please give this station the priority it has earned and deserves!
